MORRIS CHAIR OPEN

A chair that announces itself with quiet authority. Comfortably elegant yet solid as the anchor of a clipper ship. The sweeping, airy lines of our open-arm design are a living tribute to the William Morris original. Traditional mortise-and-tenon joinery throughout. With four adjustable recline positions and upholstery so plush it takes a half minute before you fully sink in. A chair of heirloom quality expressly meant for day-in, day-out living.
